

## Volunteer

Volunteers play an important role in the operations of the Goochland County Historical Society. We rely on volunteers to preserve and interpret our local history. Volunteer opportunities range from greeting visitors, program and event planning, genealogy research, conducting oral history interviews, assisting guests in the research library, researching and setting up new exhibits in the museum, museum docent, cataloging items, as well as special projects. We seek a diverse group of volunteers who can apply their skills, interests and experiences to a wide range of assignments. Volunteering is fun and can be done on a regular basis or for a one time project/event.
