Conditions of use:

1. Reproduction of images requires application and is nontransferable.

All requests to reproduce **Goochland County Historical Society's** (herein after "**GCHS**") holdings, which may include photographs, film/video, images, manuscripts, images of maps and other documents, must be submitted by application. By signing this application, the applicant agrees to abide by all terms, conditions and provisions of this agreement.

Permission for reproduction is limited to the applicant and is nontransferable. Permission for reproduction is granted only for the expressed purpose described in this application. This permission is nonexclusive. The **GCHS** reserves the right to reproduce the image and allow others to reproduce the image.

2. Reproduction is for one use only and in one format only.

Any subsequent use (including subsequent additions, web publication, advertising for the item, etc.) constitutes reuse and must be applied for in writing to **GCHS**. Any change in use from that stated on the application requires permission from **GCHS**. In the event that the applicant engages in unauthorized reproduction of photographs or other materials, the applicant agrees to pay the repository a sum equal to three times the normal commercial fee, not as a penalty but as liquidated damages agreed upon due to the difficulty in assessing actual damages incurred; the Society may in the event of unauthorized reproduction require surrender of all materials containing such unauthorized reproductions and the applicant agrees that such materials will be immediately surrendered upon receipt of request from **GCHS**.

Copy photographs or other imagery supplied by the **GCHS** may not be copied, scanned, exhibited, resold or used for any other purpose than that specified in this application. Copies will not be deposited in another library, archive or repository.

GCHS asks that the digital image be limited to no more than 72 dots per inch for display.

3. The GCHS may limit publication due to copyright restrictions.

GCHS reserves the right to refuse reproduction of its holdings if it feels fulfillment of that order would be in violation of copyright law or other law. Beyond the permission of the Society, additional permissions may be required. Those permissions may include, but are not limited to:

In instances where **GCHS** holds only a reproduction, the written permission of the owner of the original is required.

It is the responsibility of the applicant to obtain permission to publish from the owner of copyright (the institution, the creator of the record, the author or his/her transferees, heirs, legatees or literary executors). **GCHS** will aid the applicant in contacting individuals by providing addresses, when available. However, **GCHS** does not warrant the accuracy of that information and will not be responsible for any inaccurate information.

In instances where the individual or organization who may grant permission cannot be contacted, **GCHS** may consider granting permission for reproduction based on the applicant's evidence of a good faith effort to contact the appropriate individual. However, the repository assumes no responsibility for infraction of copyright laws, invasion of privacy or any other improper or illegal use that may arise from reproduction of any image. In all instances, the applicant agrees to hold **GCHS** and its agents harmless against any and all claims arising or resulting from the use of the material and will indemnify **GCHS** and its agents for any and all costs and damages arising or resulting from any such unauthorized use.

4. All reproductions must include proper citation.

Unless otherwise instructed, the credit line must include: "**Goochland County Historical Society**". However, occasionally the required citation will include the collection name, photographer name and accession number depending on the Donor Agreement, etc. We ask that you follow these guidelines:

- For published materials, the credit line should be easily accessible and in a legible typeface.
- For films, filmstrips, and video presentations, include the credit within the "Sources for Illustrations" or "Credits" section of the production.

- For websites and other Internet display, the credit line should appear directly below or adjacent to the image. The user's website must contain a hyperlink to the **Goochland County Historical Society** website. The displayed image must either a) have the mouse right click function disabled, or b) include a rollover text box with a statement indicating that the image cannot be used without the permission of the Goochland County Historical Society.
- For exhibitions, credit should appear in the exhibition area, preferably directly below or adjacent to the original copy.

The payment of a commercial use fee does not exempt the user from the credit line requirement. Failure to include a credit line or electronic watermark or inaccurate captions or credit, will require the applicant to pay the sum of One Hundred Dollars (\$100.00) per image, as liquidated damages and not as a penalty in view of the difficulty of assessing actual damages for this breach.

Incorrect or incomplete credit lines shall be corrected in reprints or future editions

5. Prepayment of all fees, including use fees, is required before permission is granted. Default in payment will immediately revoke permission.

If the size of edition or number of editions exceeds the terms specified in this application, the applicant will immediately pay the difference in use fees. If payment is not received within thirty (30) days, the applicant agrees to pay a use fee equal to twice the originally quoted use fee.

6. The applicant agrees to send the repository two copies of the work containing the reproduction at no charge.

All expenses for shipping and handling are to be borne by the applicant.

7. Alterations to the image.

Accompanying captions must indicate all changes made to the original copy, such as significant cropping, tinting, digital alteration and superimposing. Altered images remain the property of GCHS and cannot be used without permission.

By signing this application, I accept personally and on behalf of any organization that I represent, the conditions set forth above:
